MESSAGE FROM: Fred Baron  
MESSAGE LEFT ON: Andrew Young

---

“Andrew, it’s Fred. I just wanted to give you a heads-up on something. I’m gonna be, uh, meeting with the principal, uh, tomorrow but he wants you to know that he’s not taking your call or her call right now because of, uh, his circumstances with, uh, the EE, and not to take it personally, but it’ll get better soon. But right now he’s in a bad place. So, don’t get your feelings hurt if your calls are not being returned or her calls are not being returned. Uh, that’s the way it is right now. Hope you have a good flight. Uh, when you get settled out there, uh, give me a buzz.”
